

Ade Irawan - Remote Fullstack Developer

React, Next.js, Laravel, Vue | Tebet, South Jakarta 12810

Phone: +62 899-9393-662 | Email: codeirawan@gmail.com | linkedin.com/in/codeirawan

Professional Summary

Fullstack Developer with 5+ years of experience building scalable web applications using React, Next.js, Laravel, and Vue. Specialized in creating user-friendly interfaces, admin dashboards, and RESTful APIs. Experienced with Vercel, Firebase, and PWA deployment. Proven ability to work in fully remote teams, including direct collaboration with CTOs and international stakeholders. Focused on clean code, maintainability, and delivering performant user experiences.

Work Experience

Fullstack Developer - PT Bridge Note Indonesia (Nov 2023 - Present)

- Developed core features for an Accounting SaaS platform using Laravel and MySQL, including accounting logic and transaction processing.
- Delivered and maintained multiple landing pages using Next.js and TypeScript, deployed via Vercel.
- Built internal tools using Python to scrape tax rates and currency rates for automated system updates.
- Worked directly with a Japanese CTO, contributing to system architecture and UI decisions.

Fullstack Developer - PT Vads Indonesia (Sep 2022 - Nov 2023)

- Built Learning Management and Field Management Systems using Laravel and REST APIs.
- Focused on backend features including user management, role-based access, and reporting dashboards.
- Created frontend views and landing pages integrated with backend services.

Frontend Developer - Ministry of Investment (BKPM) (Oct 2021 - Sep 2022)

- Contributed to frontend modules for oss.go.id, a national licensing system, using Vue.js.
- Improved UX, responsiveness, and accessibility for citizen-facing services.
- Participated in Agile sprints with cross-functional government and vendor teams.

Frontend Developer - PT Yesdok Indonesia (Aug 2020 - Sep 2021)

- Developed dashboards and panels for doctors and clinics using Vue.js, connected to healthcare APIs.
- Delivered landing pages and interfaces for web-based health services.

Ade Irawan - Remote Fullstack Developer

React, Next.js, Laravel, Vue | Tebet, South Jakarta 12810

Phone: +62 899-9393-662 | Email: codeirawan@gmail.com | linkedin.com/in/codeirawan
